INTERDEPARTMENTAL COMMUNICATION

To: All Town Departments and Boards **Date:** May 20, 2004
From: Roland Bartl, AICP, Town Planner
Subject: Meeting Announcement – To Live In Acton

Funded by a State grant that Acton received last year, TO LIVE IN ACTON is a strategic plan that identifies Acton's housing needs in the coming decade, especially the needs of low-, moderate-, and middle-income households, and maps out strategies to meet those needs. The plan also evaluates natural resources constraints on housing development, and the economic and employment opportunities for low -, moderate -, and middle-income persons. The plan was prepared with the assistance of Judi Barrett of Community Opportunities Group, Inc, and with the participation of Acton residents and members of Acton boards and committees at several meetings this past fall, winter, and spring. The June 22 meeting will present the final draft plan, and will be the last opportunity for public comment. For additional information or to request accommodation for persons with disabilities, contact the Planning Department at 978-264-9636.
